# Discover how to Live Effectively

Living Effectively  
Mentorship Program  
**(LEMP)**

## Why LEMP?

**Looking at the big picture:** Let's face it. One day, we will all DIE. We will be lying on that cold slab. Breathless, lifeless. Finally silent. We won't be buried with the things we loved or worked so hard to possess. The most we will be buried with, if we are lucky is a fancy coffin, a designer suit or dress. And it's a wrap. DEAD, GONE, and life will go on like we were never around (Read Psalms 103:15-16 and Ecclesiastes 5:10-15).

### God created you for a purpose

The greatest tragedy in life is not death. Its life without a purpose. Imagine living for years on earth and dying without knowing why you existed. The two greatest days of your life is the day you were born, and the day you find out why you were born. God didn't create you by accident or for entertainment, He created you for a purpose. **God needed you to accomplish something unique on earth that ultimately made your existence necessary.**

In Genesis 1:28 God commanded man to be fruitful (productive) and multiply (grow). God expects us to live effectively on earth. He expects us to be resourceful, valuable, useful and to increase in all aspects of our lives. Not forgetting that eventually we will stand before Him to give an account of our lives.

"He has saved us and called us to a holy life - not because of anything we have done but because of his own purpose and grace,"  
- 2 Timothy 1:9
